### ▶ Practical Japanese for beginners

Learn Japanese essential conversation for everyday life  
Introduction course for Japanese basic grammar and vocabulary

### ▶ Active Basic Japanese Grammar

This is the foundation to be able to communicate in Japanese and the goal is that you'll be able to use basic conjugated forms and speak naturally.

### ▶ Effective Drill Training

This class will help students improve their quick-response ability and build their confidence. Students use a series of specially designed drills and speaking training to improve their communication ability.

### ▶ Conversation Level-up

In this class you will practice making conversation about a variety of topics. You will improve your vocabulary and ability to converse smoothly.

### ▶ Essential Grammar & Conversation

You will efficiently learn, each day, two of the key phrases that form the foundation of everyday conversation, and be able to make practical use of them.

### ▶ Japanese for communication

You can expand your conversation skills following a given topic, vocabulary and sentence pattern.

### ▶ Natural and fluent Japanese 1 & 2

You can learn a lot of useful everyday expressions from JLPT N3 & N2 grammar and conversation!

### ▶ N3 training ▶ N2 training ▶ N1 training

Grammar and reading training. Aim to have students get a more complete understanding and retention of the test contents over a one year period.

### ▶ Business Japanese

Learn the etiquette and vernacular of doing business in Japan. You will learn basic formal expressions (basic keigo), setting-specific expressions on business situation in Japan.

### ▶ Japanese Explanation Training

This innovative training explanation class will empower intermediate students to be able to summarize their point in a more concise manner.

### ▶ Read and talk about current issues

Read news articles, describe the contents and discuss the themes.

### ▶ Keigo training

Master natural expressions in Japanese honorifics and learn to use them regularly and appropriately. Learn the basics properly, and learn the appropriate use of honorifics in long passages as well through repeated role-play practices.
